Tree to celebrate The Queen's Green Canopy for her Platinum Jubilee 2022

A new tree has been planted at the entrance to our home, part of the Queens Green Canopy initiative to plant new trees across the country to mark her 90th year.

We've chosen a small tree, Amellanchier Obelisk or 'serviceberry.'

It has small white star shaped flowers in spring, and lovely autumn colour. It will grow to approx. 3m high

The Queen's Green Canopy is a unique tree planting initiative to mark her Majesty's Platinum Jubilee in 2022. Everyone is invited to plant a tree and register it to create a legacy in honour of The Queen's leadership of the Nation, which will benefit future generations.

Brabourne Care Centre is on the map www.queensgreencanopy.org.uk
